No T. C. 285/35.36 dt 4.4.36 from the I.G requests sanction for the purchase of a new RRR Rotary duplicator for the use of the motor Branch of his office at a cost of Rs 150/- and the expenditure to be met out of the Road Fund.

Submd for orders.

9.4.36 The work in connection with motor taxes in the Dy Ps office may be heavy at present, when the Regulations has just been introduced. The volume of work is likely to decrease as people get accustomed to the new Regs In view of this, a separate duplicator for this work only does not seem to be necessary. It should be possible to manage this work also with the Duplicator now in Dy Ps office

SO.

SIR,

I have the honour to request you to kindly obtain sanction of Government for the purchase of a new RRR Rotary Duplicator for the use of the Motor Branch of my office.

There is a duplicator in the office for use between my office, the City Superintendent's Office, and the Railways and C.I.D., District Police Office.- Every week-end this machine will be engaged by the Political C.I.D., Office for circularising S.B. Abstracts and other Confidential communications. T Superintendent of Police, Bangalore City, is also indenting for the service this duplicator for work in his office to issue Crime and Occurrence sheets Special Duty Abstracts, etc.

The machine will not therefore be always available for use in the Motor Branch, where, on account of the large number of Licensing Officers a the Police Officers, several communications have to be prepared by the duplicator almost every day.

I, therefore, request that early orders may kindly be obtained for the purchase of a second RRR Rotary Duplicator, the cost Rs.150/- being met out the "ROAD FUND".

I have the honour to be,
Sir,
Your most obedient servant,
